1. I want to speak and I want to be spoken to and I want to warn you of things to come, things that will be in your path, things that will be in My path, things that you will need to walk around, avoid, and hurdles that you will need to go through.
2. I love you and I give you Me. I give you My plan, I give you My path, I give you My processes to process Me and become Me; and becoming Me, Me make. I love you and I am not afraid of the future for I am the future.
3. I am Me and I come and I call and I confirm and I conquer all forces that are at adversity with Me, that rebel, that insolent are in their ways and their hearts hardened against Me. I love you and I come and I call and I will plan and I will path before you make open and way made clear as you see between the hurdles.
4. And the hard-boiled eggs that so many would give you, hoping you will eat, I give you My words to eat. I give you Me, I give you bread and wine, and I give you My plan and My processes. I give you My fashion, I give you My form, I give you My power and authority, and hard-boiled eggs that you like so much, of only Me.
5. Now speak not only when spoken to but speak and speak Me and speak My words and let Me speak more as you speak to others, as you speak with others, and others speak with you, and [let] not your mind pre-empt Me from speaking, speaking, speaking first person, letting Me be Me. I love you.
6. Campus I give you. Campuses are, campuses is your name, I told you long ago. I arise My campuses now, My acreages of acres that I now want buildings arise out of nothing, out of nothing, out of no form and no dust except the word of My mouth and My breath through My nostrils from My heart into what I want. Me, Me coming forth, Me alive, Me breathing in My body with life, with life teaming, fountain-ing, My Me fountain-ing My creativity to all of My earth. I love you.
7. Satellites receive and satellites be. I love you. I love you.
8. I give you Me and there is no lack in My University, there is no lack in Me, there is no lack inside you. There is no lack inside you, there is no lack for anything that you need inside you for I have placed in you Me and Me inside you has no lack.
9. Alas, let Me be Me. Cry out, see Me, I cry. I cry for wisdom to peel back the layers of cataracts on the eyes of your spirit. See Me, see Me and let Me roll, let Me rove, let Me play with your insides, your all, your inner thoughts, your inner core and withhold nothing from Me and let Me be.
10. Build.
11. Benign not, but cancerous to every thought not of Me.

12. I come and I call and I metaphorical am, I beautifying am, emboldening I am My body to be Me. Arise in the fullness of your call. Arise in the fullness of boldness and authority in Me, calling the land in for Me. I do, you are, I am.
13. My courses come forth, My details come forth, My sections come forth.
